

THE MITT COMMUNIQUE

Vol.-10, Issue No. 1,
Jan 2024 to June 2024

Message from Chairman's Desk

Madhusthali foundation is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This culture allows and emphasizes our students and staff not only to adopt the present-day challenges but also focused accountability to the society and to our nation.

Here 'Learning' is based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learners to acquire this deeply and apply their knowledge practically, the whole process becomes futile and superficial. We are confident to fulfill our mission with a strong internal bonding with each members of Madhusthali family.

Our institution has set specific objectives and planned activities for achieving excellence in all spheres of school education, research and innovation. People who feel good about themselves produce good results and people who produce good results feel good about themselves. All of us maintain that.

We believe in total learning and total sharing in the most transparent way. Have a visit to MADHUSTHALI and experience the 'feel good' factor.

Kishan Kumar Kejriwal.
Chairman, MCKV Group.
